Business Manager's Report

Brothers and Sisters,

I hope this message finds you well and that you and your families enjoyed the holidays. I am happy to report that it has been another very good quarter for Local 638. In addition to the many major ongoing projects in our area that continue to put members to work, we have also added over a million work hours as we continue to strategically use our Target Funds and site-specific agreements to grow our market. For example, we recently gained 108,000 hours on a Brooklyn project using a site-specific agreement, which will ensure that 638 is the only union on an otherwise non-union job. Looking at the work hours since my term started, we are holding a steady rise. In 2023 we were at 3.8 million work hours for the year. After my first full year we ended with 4.1 million work hours in 2024. We will end around 4.2 million work hours this year with better numbers projected for 2026. All this progress comes in addition to the pipeline of work we anticipate due to PLAs and major public infrastructure projects that generate guaranteed work for

the union. We recently attended a press conference supporting the City's signing of a PLA that will bring \$7 billion worth of work in NYC. Added to the existing City PLA, that means \$50 billion of union construction work over the next 2-3 years. We also saw our multi-year efforts at casino advocacy pay off recently with the announcement that all three licenses will be granted to projects in the City: Willets Point, Bally's in the Bronx and Resorts World in Queens. All of these will be multi-year projects built under a union PLA. Local 638 worked hard to advocate for these, whether it was up in Albany with our friend in the Senate, Joseph Addabbo, the Chair of the Senate Gaming Commission, or the work that many of you did to turn out to community hearings and public forums to advocate for our work.

Continuing with politics, I am pleased to report that the Governor met the end-of-year deadline and signed the "custom offsite fabrication" law that we worked to pass this year. This legislation

Important Notices

Please make every effort to attend these meetings.

The regular

will be held on
Wednesday, January 21, 2026
at the
STEAMFITTERS UNION HALL
32-32 48th Avenue
Long Island City, NY
at 5:00 P.M. SHARP.

METAL TRADES
Regular
QUARTERLY MEETING
will be held on
Tuesday, January 20, 2026
at the
STEAMFITTERS UNION HALL
32-32 48th Avenue
Long Island City, NY
at 5:30 P.M. SHARP.

(Continued on page 2)

would ensure that prevailing wage is paid on public works projects, regardless of whether construction occurs on site or in a fabrication shop. This is going to make it harder for out-of-state, non-union shops to bid on public work that uses our New York tax dollars, and it will protect our work on the construction site and in the fabrication shop.

I am also continuing to diligently enforce our agreements so that we do not lose out on the work that is historically ours. As an example, we recently mitigated an arbitration hearing against the Elevator Constructors who were trying to claim hydraulic piping on elevator systems. This work was in jeopardy because under the previous Trustee, Executive Assistant and Business Manager, the Elevator Constructors were able to pass a safety law trying to codify piping under their scope of work. We have spoken with our allies in Albany and will be there next year to make a clarification in state elevator safety law to correct this language so that we are not in jeopardy of losing this work on future projects.

Additionally, I want to clear up some confusion and misinformation that has been circulating about 638's General Fund. I want to preface it by saying that the General Fund is healthy and being well-managed. At the end of the day, this is your money, and careful stewardship of it is one of our greatest responsibilities. With that said, over the last several years, some have noticed large fluctuations in the amount reported in the General Fund. This is largely due to the vast amount of extra expenses incurred during the Trusteeship. At the start of the trusteeship, the General Fund was at 10.8 million, when the Trusteeship was over, the General Fund was at 7.8 million. During the 33 months of the Trusteeship, the General Fund received additional income which

has since ceased. First, we received \$1,168,367.00 from the federal government for Covid relief and secondly the UA reimbursed us for our Organizers totaling \$1,040,000.00, which halted the minute the trusteeship ended. The General Fund is currently at 6.4 million which is only 1.4 million less since July of 2023. We have made significant progress in cutting expenses, however, as you all know from your own households, all general expenses which are necessities have increased quite a bit. Again, total transparency is my goal; I am always happy to discuss this further if anyone has questions or concerns on this matter.

Finally, I want to address some other misinformation I have heard circulating: There is NO plan or intention of taking away the medical benefit from our retirees. On a personal level, this would literally require me to support taking away my own father's and mother's health care. Just as importantly, it would mean breaking one of the most important promises we make to each other as union members: a multi-generational commitment to protect each other from the beginning of our careers to the end of our lives, via solidarity, work-place safety and high-quality medical care through the end-of-life. All decisions regarding retiree benefits are made by the Trustees, and I can tell you as a Trustee member that I would never support this change, and I do not know of any other Trustee who would either.

In closing, I hope you and your families are enjoying a safe, happy and healthy New Year, and I look forward to reporting back to you in the next quarter.

In Solidarity,

ROBERT J. BARTELS, JR.

Business Manager
Local 638

2026 UNION BOOKS ARE HERE

**ALL ACTIVE AND WORKING
MEMBERS MUST COME IN
TO PICK UP THE CARD.**

**WE ARE OPEN MONDAY TO FRIDAY
8:00 AM TO 4:00 PM**

**THE UNION OFFICE
WILL ALSO BE OPEN**

**SATURDAY JANUARY 24TH &
SATURDAY JANUARY 31ST
8:00 AM TO 3:00 PM**

LOCAL 638 REGULAR

OFFICE HOURS

8:00 A.M. to 4:00 P.M.

***There will be someone at the
Union Hall to collect dues
on meeting nights.***

From the Desk of the Financial Secretary-Treasurer

Dear Brothers & Sisters;

I hope everyone enjoyed the holiday season and I would like to wish you all a very happy, healthy and prosperous New Year. Your new 2026-2028 UA cards are here; please come into the office and pick it up at your earliest convenience. Because of our new 638 APP there is no need for a stamp card anymore. To help with this the Union Office will be open Saturday January 24th & 31st from 8:00AM to 3:00PM. Retirees, please give us time, your new card will be mailed out to you as soon as we can.

We are only weeks away from the Local 638 General Election of Officers & the Election of Delegates for the 21st UA National Convention. As a reminder, to be eligible to vote you must be a member in good standing for 1 (ONE) year prior, but to be nominated for a position in either election you must be a member in good standing for 2 (TWO) years prior from the date of the election. Good standing means you have not paid any reinstatement fees or owe a reinstatement fee in the year or years prior to be eligible.

Nominations for Delegates to the 41st UA General Convention & Steamfitters Local 638 General Election of Officers will be held on Wednesday, February 11, 2026 at 32-32 48th Ave, LIC, NY 11101 at 5:00PM.

With the election for both to follow on the same day, Saturday, March 14, 2026, at 32-32 48th Ave., Long Island City, NY 11101 from 8:00AM to 5:00PM.

Please have your dues paid before midnight on the last day of each month, there is No More grace period; on the first day after 3 months of nonpayment of dues you will be charged a \$ 50.00 reinstatement fee to get back in good standing .

As a reminder **NO CASH** will be accepted in the Union Office.

Ways to pay your union dues:

- Come into the Dues Office with a check or money order.
- Mail a check or money order into the Dues Office.
- Set up a reoccurring payment through **YOUR BANK ACCOUNT** and have them send the Union a check monthly using your Book # as your account number.
- Go to **www.steamfitters638.org** and pay your dues online:
Username = Last Name. Password = Book #.
- **DOWNLOAD OUR NEW APP**

Financial Secretary-Treasurer

President's Viewpoint

Dear Brothers and Sisters of 638,

I hope this Newsletter finds you and your Families well! As I write this letter it's the second week of December, a very busy but joyous time of year. I mention this because I hope you've been to a few Holiday parties as I have. It's while attending these parties I realize how truly grateful I am! It's that which I would like to write about.

I am truly blessed to be part of the greatest union Local 638. A union of highly skilled highly trained skilled craftsman, so diverse in our job duties, and the many different systems we install and maintain. Systems that are essential to everyday life in every aspect. You cannot have a functioning modern-day society without these basic but highly complex HVAC systems, Fire Protection systems, Sewage Treatment facilities, Electric generating powerhouses and the many other piping systems Local 638 has been installing for over 140 yrs.

I mention all this because we are living through a time in which the technological advancements happening everyday at a pace the world has never before seen is reshaping and transforming everyday life. Vast sectors of the job market are being eliminated. Recent reports show that upwards of 50% of college graduates in America cannot get a job in the careers that they studied for. This is terrible news for a whole generation of Americans who were told, to be successful you need a college education. That is not fate of Local 638 members! AI is not coming for our jobs any time soon, it will transform technology and improve the systems we install but never eliminate those systems.

I'm also grateful I will be able to retire with dignity and economic security after a lifetime of hard work and dedication. I will be able to lay

my head down at night not worrying that if I or my family have an unfortunate medical situation it won't bankrupt me and my family. I'm also grateful that my family that I love, who are also 638 Steamfitters enjoy all the same blessings that I do. I'm grateful that if I ever need a job, I'm not on a platform like Indeed, searching through job postings hoping to get the same salary as my last job. I will be calling a friend, a Local 638 Brother or Sister, and my salary, my benefits, and my pension are already negotiated for me. For all this I will always be grateful.

I want to share some wonderful news with all of you. On Thursday December 4th early in the morning we were told that Trade Board member Tommy Davis was called to the hospital at 2:00 am to receive the kidney transplant he had been waiting for. The surgery was a success and Tommy is on his long road to recovery. This was news I couldn't be more grateful for. Tommy, on behalf of all of Local 638, we stand with you and your family.

In closing I'm grateful for and want to thank each and every Brother and Sister for all your hard work and dedication to our Union. I want to thank you for our solidarity and for keeping our traditions strong, for your craftsmanship and your professionalism. I want to thank all the members who came before me and passed all this to me and thank all those who will proceed me and keep Local 638 the pinnacle of all the trade unions. May this year be your Happiest, Healthiest and Wealthiest..

In Solidarity

BRIAN R. KEARNEY JR.

TRAINING CENTER NEWS

IMPORTANT: SST RENEWAL INFORMATION

Site Safety Training Cards must be renewed every 5 years **BEFORE** the expiration date. Per NYC Department of Buildings, there is **NO GRACE PERIOD**. You must complete the refresher courses, apply, and obtain your renewed card **BEFORE** your old card expires. If you do not have the new card in hand the day your old card expires, you will have to take additional SST training to apply for a new card.

SITE SAFETY ONLINE CLASSES

10 Hour SST Bundle, 8 Hour Refresher, 16 Hour Refresher, 8 Hour Refresher (Spanish)

<https://www.clicksafety.com/steamfitters638/>

Go the website above and choose the appropriate class from the banner. Click "Buy Now" to purchase and begin classes. The discount code will be automatically applied. An itemized "Registration Confirmation" will be emailed to you. A copy of this receipt is **REQUIRED** for reimbursement. Upon completion of the courses, contact the Training Center to obtain a new SST card and apply for reimbursement.

The OSHA 30 Online Certification is available free of charge for union members, you must call or send an email to be registered.

In order to obtain a 40 Hour or Renewed SST card, e-mail khertel@steamny.com

It is the responsibility of each member to keep track of their expiration date and sign up for refresher training, AND submit their certificates to the Training Center BEFORE the current SST card expires. If you have any questions, please call the Training Center.

The Training Center telephone numbers.

- Daniel Knights, Director of Education (718) 885-8820
- Kathleen Hertel, Building Trades Steamfitters (718) 885-8827
- Margarita Velez, Metal Trades Service Fitters (718) 885-8825

Training Center Address: 48-03 32nd Place, Long Island City, NY 11101

To put your name on the list for the below listed courses, please call **Margarita – Metal Trades Service Technicians Line** at (718) 885-8825 or email: mvelez@steamny.com

- **New Certification Course: Next Generation of Low GWP Refrigerants** – A2L Mildly Flammable Refrigerants Certification Course. 4 evening prep sessions and one evening test date. A laptop computer or Chromebook is required. Attendees must have EPA 608 universal as a pre-requisite. Certification Diploma will be issued upon passing grade on examination.
- Introduction to Refrigeration – One night a week for 6 weeks: This course is designed to give you a solid foundation on the science and technology behind commercial and residential refrigeration systems.
- EPA Section 608 Prep and Test – One night a week for 4 to 5 weeks. Technicians who successfully pass the core and 3 types will receive their CFC Universal Certification. A laptop is required to take the exam.
- UA Star Mastery Examination: Metal Trades Technicians wishing to take the prep courses and exam must have a minimum of five years of documented work experience installing and servicing HVACR equipment and piping systems. This Certification requires an application, and it has a fee payable to the testing agency.

Please Note: All classes are scheduled according to participation and availability. All members should have their book number and cell phone number handy when calling the Training Center.

The Training Center is looking for a part-time instructor for our Metal Trades Division. Qualifications should include: EPA 608 Universal Certification; extensive knowledge of refrigeration cycle and components; experience with electrical systems and controls; experience with heating systems. Resume should be emailed to: dknights@steamny.com.
