Business Manager's Report

Brothers and Sisters,

I hope this quarter's newsletter finds you well. As you know, 638 recently concluded its most recent election in March. I want to begin by thanking the staff, members and officers who helped facilitate the day's activities and worked hard to ensure that the process ran smoothly and efficiently for all of those who came out to vote. More importantly, I want to thank each and every member that took the time out of their weekend to exercise the important responsibility of making their voices heard about the leadership and the future of their union. All of us know how our careers and

livelihoods have benefited from this great union; it is important that we exercise our right and duty to vote when we have the opportunity.

I also want to thank everyone that stepped up and ran for a position or office. Our union is only as successful as the men and women who offer their time and efforts to its leadership and roles. Win or lose, simply running shows a commitment to your union and your brothers and sisters. With that said, I want to congratulate everyone who successfully ran and all of the incoming officers that will assume their roles this summer. I am confident that we have the leadership team in place to successfully steer 638 for the next three years.

TRAINING CENTER NEWS

IMPORTANT - SST RENEWAL INFORMATION

The Steamfitters' Training Center has a new online website for online, on demand NYC DOB SST courses.

OSHA 30 continues to be available free of charge for union members through ClickSafety. Members wishing to take their OSHA 30 must call or email the Training Center to be registered.

Site Safety Training Cards must be renewed every 5 years BEFORE THE EXPIRATION DATE. The NYC Department of Building has NO GRACE PERIOD FOR EXPIRED CARDS. You must complete the refresher courses, apply, and obtain your renewed card AT LEAST TWO WEEKS BEFORE your old card expires. If you do not have the new card in hand the day your old card expires, you will need to take additional hours and purchase new class bundles. DO NOT LET YOUR CARD EXPIRE!

If your SST Card is already expired, email the Training Center for bundle instructions.

SITE SAFETY ONLINE CLASSES:

- 8 Hour Refresher Bundle (choose this bundle to renew your 40-hour SST card).
- 10 Hour SST Bundle (choose this bundle if you have an OSHA 30 card that has been issued within 5 years and you need to get a 40-hour SST card).
- 16 Hour Supervisor Refresher Bundle (choose this bundle to renew your 62-hour supervisor SST card).
- 22 Hour Supervisor Upgrade Bundle* (choose this bundle if you are looking to upgrade from your 40-Hour SST card to a 62 Hour Supervisor SST card). Your SST card must be current and valid to be eligible for upgrade. *Please note, you will not be reimbursed for this bundle.

TRAINING CENTER ONLINE WEBSITE:

Go to the Steamfitters.com website and log into your Member Self Service Account. If you do not have an account, you must register there.

Once you are logged in, there will be a link to the Steamfitters' Training Center SST website under "Quick Links". On the course website, you will need to create an account. All SST bundles are available for purchase. Please choose the correct bundle for your needs, READ THE BUNDLE DESCRIPTION BEFORE YOU CHOOSE.

You will still need to purchase, complete, submit the certificates, and apply for reimbursement through the Training Center via email.

Upon course completion, you must submit your certificates, reimbursement form, and receipt to the Training Center via email to khertel@steamny.com. SST Refresher completion certificates must be submitted at least two weeks prior to expiration..

In order to obtain a 40 Hour or Renewed SST card, e-mail khertel@steamny.com
